To Whom It May Concern:

By statute, all agencies and institutions of the state, including Utah State University, are provided liability, property and casualty coverage by the State Risk Management Fund, located at 5120 State Office Building, Salt Lake City, Utah 84114.

The coverage includes:

- Property
- Fidelity
- Boiler
- General Liability
- Automobile Liability
- Personal Injury Liability
- Errors or Omissions Liability
- Malpractice Liability

The property coverage includes property of others in the care or custody of the University. The coverage is for "all risks" except those perils specifically excluded. Losses are adjusted at replacement cost, less a deductible of \$1,000.00.

The liability coverage is one per occurrence, as is with single and aggregate limits of \$10,000,000.00, subject to certain sub-limits and restrictions to the State's Governmental Immunity Act, as applicable.

The persons covered varies slightly with each coverage, but each covers employees, agents and volunteers of the University acting within the scope of their authority and assignments.

Questions about the coverage or claims against the University may be submitted to Risk Management, Utah State University, 6600 Old Main Hill, Logan, Utah 84322-6600, (435) 797-1951.

Sincerely,

Mike George
