Citation 1 Item 4b

1- Dayton Bench Grinder

Dayton Bench Grinder tongue was installed.

Photographs may be found in attachment ‘Grinder’

Certification of Abatement:  
The violation identified above was corrected on or before October 8, 2019 by Jerry Petterborg.

I attest that I am an authorized representative of Utah State University and that the information contained in this document is accurate and that the affected employees and their representatives have been informed of the abatement activities described in this certification.  
By providing abatement verification or UOSH, and signing this document, the employer does not admit that it violated the cited standards for any litigation or purpose other than subsequent proceeding under the Utah Occupational Safety and Health Act.
