

APPENDIX C. CURRENT AND PENDING SUPPORT

PI: _____

Dept.: _____

College: _____

Proposal Title: _____

List all sources of current or pending financial support (grant proposals, contracts, summer salary, etc.) for the PI.

Please note that GEM projects that have already been submitted in whole or large part to an extramural agency (i.e., funding decision is pending), or those already reviewed and found non-competitive by an extramural agency, are not eligible for consideration.

PIs must indicate using **bold font** any current or pending projects that are related to the proposed seed grant project, and attach a 1-page description of each related project that includes an executive summary and list of specific objectives.

New Assistant Professors (within first 2 years of appointment) must attach a separate description of his/her new faculty start-up funding.
