

APPENDIX D. CONFLICT OF INTEREST DISCLOSURE

The following questions pertain to the Principal Investigator and all other Key Personnel involved with this project. The term “you” in these questions refers to the respondent or any other member of the respondent’s immediate family.

- Yes No Do you have significant financial interest or serve as a director or officer in a commercial organization:
- a. That could become involved in this project?
 - b. Whose business is substantially related to the subject matter of this project?
 - c. That has requested rights to USU and/or USURF intellectual property?
- Yes No Do you plan to use University facilities or personnel in the conduct of research, testing, or work for your outside interest that will be related to this project?
- Yes No Have you, or do you expect to, receive gifts of \$100 or more from a commercial entity that is connected to this project?
- Yes No Do you supervise any students or other personnel who will be working on this project and who also work for your outside interest?
- Yes No Is this project related to subject matter in which you are aware that another sponsor or entity has a claim to ownership or any rights granted by USU and/or USURF?
