

APPENDIX B. CURRENT AND PENDING SUPPORT

PI/co-I: _____

Dept.: _____

College: _____

Proposal Title: _____

List all sources of current or pending financial support (grant proposals, contracts, summer salary, etc.) for the PI and any co-Is.

Please note that RC projects that have already been submitted in whole or large part to an external funding agency and a funding decision is pending, or those already reviewed and found non-competitive, are not eligible for consideration. Externally submitted proposals that received good peer review panel comments but were not funded are eligible for RC funding consideration.

PIs must indicate using **bold font** any current or pending projects that are related to the proposed seed grant project, and attach a 1-page description of each related project that includes an executive summary and list of specific objectives.

New Assistant Professors (within first 2 years of appointment) must attach a separate description of his/her new faculty start-up funding.
